Skin Spearfishing—

Brandi Easter has retired as treasurer of this separate account—thank you very much for your service, Brandi--but no one has stepped up to fill this position. Dennis Haussler and Carol Rose have access to it, but who will step up?

World freshwater meet in New Zealand's Lake Taupo will be held on March 9-10, 2019. This is the 2nd WFSC (The 1st was held in the USA at Lake Mead, 2017). Eight teams (16 divers) will be heading there; CenCal's Brandi Easter will be competing.

The Skindiving Nationals will be held June 7 at Lake Mead, NV. This will replace the saltwater nationals and will be hosted by the Rocky Mountain Council. It will be a boat-based meet. Boulder City is the nearby metropolis and rooms at the local casino run about \$39/night.

NorCal Skin Divers will host a CenCal team spearfishing meet at Ft. Ross on Sep. 21. The weigh-in will be at Ocean Cove.

Old Business

The purple sea urchin collection event scheduled for January 12-13 at Van Damme was canceled due to weather. Another collection is scheduled for March 9th.

New Business

An SFO Dive Show will be held at the Santa Clara convention center on April 26-27. The organizer has a website describing it.

Next meeting

CenCal's next meeting will be postponed to Tuesday, April 2 to accommodate Carol's schedule. Larry will set it up.
