9.3.5 Need new member as current CenCal RAAC member moving out of state

9.4 Update: plans and process to develop a *Kelp Recover and Management Plan (KRMP)* for giant & bull kelp. It is a worldwide issue.

9.4.1 approach – in partnership California Ocean Protection Council (OPC) created the KRMP to develop strategies similar used to develop FMPs (fishery management plans) under the *Marine Life Management Act (MLMA)* to provide a framework for ecosystem-based management and kelp restoration toolkit

9.4.2 Webinar August 11: *Restoration of Northern California Bull Kelp Forests*

9.5 CDFW Meetings: Commission August 18 Fortuna; Commission Oct 13 Truckee

9.6 Fishing Licenses: In 2023, license will be 365 days with report cards/tags same. There is a plan to display of a sport fishing license on a mobile device - also by 2023. Current regs require a physical license. The E license requires change in regulations and technology. The question of E license display for ‘in water’ fishers is question to be answered 😊
